If you were unable to attend Mayor Willey's State of the City, you can watch it by going to http://www.ci.hillsboro.or.us/Administration/State_of_the_City_Invitation.aspx

While Shute Park Branch Library is closed for remodeling (May, 2013 to March, 2014) ten of its public access computers will be available in a temporary computer lab at the Hillsboro Police Department West Precinct HQ at 10th and Washington. The lab will be located in the education center adjacent to the building lobby. The lab is scheduled to open June 3 and probable hours will be 11:00 to 6:00 Monday through Saturday. Library staff will be on hand during all open hours.

When the Main Library's second floor is completed and opened to the public late in May, new meeting and study rooms will be available for reservation. One of the rooms will accommodate up to 230 people and is available for private events. There will also be a Board Room with a large table and a multi-purpose room that serves as a caterer's room or crafts/project room. Eight small study rooms will accommodate up to 4 people and 2 conference rooms up to 8. See full descriptions of the rooms and the costs and rules for their use at the Library's website: <http://www.hillsboro.plinkit.org/news-events/meeting%20room%20rules.pdf/view>

Did you know, your WCCLS Library card may be used at all public libraries in Washington County? The Hillsboro Public Library issues either one card per family or one card for each member of a family who live at the same address. Residents of other counties may be eligible for services without charge according to current reciprocal agreements; check with your library to find out with which counties we have reciprocal agreements.

To get your Library card

- fill out and submit a Hillsboro Public Library Card Application (available in the Library and online at www.wccls.org/library_services/library_card.html)
- provide the name and phone number of a contact person not living at the same address, like a relative, neighbor, or employer AND one piece of picture identification, like a valid Oregon driver's license or Oregon Identification card that verifies your current address OR proof of your address (delivered mail, preprinted personal checks or car registration) AND picture ID (passport, student card, employee badge, out-of-state driver's license, birth certificate or social security card.)

NOTE: Parent or guardian identification may be used for minors who do not have identification
